MCDONOUGH HALL 207

GEORGETOWN UNIVERSITY LAW CENTER
600 NEW JERSEY AVE., NW
WASHINGTON, DC

Dr. Tedros Adhanom Ghebreyesus is widely regarded as a leading public figure in global health. He has led Ethiopia's Ministry of Health since 2005, a period during which the country has seen substantial health gains across many indicators. Dr. Tedros is also the chair of the Global Fund to Fight AIDS, Tuberculosis, and Malaria and the former chair of the Roll Back Malaria Partnership. He is an internationally recognized researcher on malaria.
